

TRAINING ANNOUNCEMENT

ICS-400 ADVANCED INCIDENT COMMAND SYSTEMS

October 16-17, 2018
8:00am to 5:00pm

OEMS-Headquarters
1041 Technology Park Drive
Glen Allen, Virginia

The Virginia Department of Health's Office of Emergency Preparedness and Office of Emergency Medical Services have partnered to bring an ICS-400 class to the OEMS Headquarters in Glen Allen, Virginia.

There are still some vacancies available, but space is limited and seats are filling fast.

Course Pre-Requisites: ICS-100, ICS-200 (These online courses are available at <https://training.fema.gov/nims/>.) **AND** ICS-300, which is a classroom based training course.

Students will also need a FEMA Student Identification Number (SID). Information and number can be obtained at <https://cdp.dhs.gov/FEMASID> if you do not already have one or have forgotten it.

Registration Information:

Student must register in TRAIN-Virginia and the Commonwealth of Virginia Learning Center (COVLC).

To register for the class go to https://www.train.org/virginia/course/1076991/live_event

If you do not have a TRAIN-Virginia account, then go to <https://va.train.org/DesktopShell.aspx> to create an account.

Step 2 of the registration will take you to the COVLC <https://covlc.virginia.gov/Default.aspx>. If you are a state employee, you should already have an account. Non-state employees without an account will need to register for an account. Select "VDEM_Ext_Va Dept of Emergency Management Non-State Employee" option when registering for an account.

Registration Deadline – October 12, 2018 at 5:00pm.

For additional information or if you are having difficulty registering, then please contact Sam Burnette, Emergency Services Coordinator at samuel.burnette@vdh.virginia.gov or 804-888-9156
